

(After you have collected a number of call signs and there is a brief period of silence, read back each call sign, and acknowledge each if they have traffic or are sticking around for the roundtable. Next, ask for more check ins and continue process until there are no more check-ins.)

(if someone has traffic acknowledge their call and ask them for their traffic. Usually they will need to ask someone something. If it short allow them to do it, otherwise ask them to wait or move to another frequency)

Round Table follows

(announce the order of the round table call signs)

(Who ever is first, say "W6ABC, go ahead, this is your call sign")

(At the end of the round table)

Are there any late or missed members, or visitors who would like to check in

(acknowledge each checking, usually after a period of silence, ask if they have anything for the net)

Last call, does anyone have anything else for the net?

(if someone puts out their call, acknowledge them and allow them to speak)

There were number of check in check ins this evening. Thanks all for checking in. The Indian Wells Valley Emergency Net is closed and the frequency clear. This is your call.
